## Boys' and Girls' Club Corner

By Mrs. Edna Hume Durand  
County Club Leader

### Little Things That Count.

You and I know that the greatest wealth of our state lies not in its mines, forests, railroads or farms, but that it is in the possibilities of our boys and girls.

Have we as leaders impressed upon our club members that their task is a responsible one? Do they understand that to achieve they must do their work well and make an exhibit at the close of their demonstration? Do we show our members the problems in

production, financial organization, the applied sciences connected with their demonstration and the effects on civilization of real constructive club work?

Do we really help them come in contact with the worth while experiences and practices of successful men and women? If we do we are leaders who are doing a service of inestimable value.

The Melrose meeting for this week was called off on account of the ban still being in force on all indoor meetings.

Mr. A. O. Horne, leader for the Havener boys, reports two splendid meetings for last week. One was a club tour of inspection of the club crops and pigs, and the other was a club dinner at his home on the 6th with baseball for an appetizer.

Miss Mina Wingo, leader of the Bellview girls, visited the office Thursday on her way to summer school. When she boarded the train for Las Vegas she suffered a nervous break down and had to be removed. She is at her home in Roswell now and is reported to be improving.

The first stock judging class was held at Grady Saturday. Guy Carter, Grady and Walter Box are working and will work on their second lesson for July 9th.

Mrs. Minnie Hencher has consented to take the Texico cooking club. The girls will meet in the Domestic Science room the 24th.

Bellview girls have been assigned places on the demonstration teams as follows:

**Canning.**  
Aurvil Rose, Lillian Miller, Agnes Osborne.

**Sewing.**  
Annette Bainum, Frances Moore, Thelma Hall.

**Cooking.**  
Agnes Briscoe, Correne Harris, Celestia Bainum.

Other girls in this group may form teams with the purpose of competing against these for places in the finals at Clovis.

Delmas Hopper, Moya, has placed several gifts for pig club work.

Archie Grayden and Homer Brunk of Ranchvale purchased pigs this week from Paul Bradshaw of Hill McDaniel.

Walter Box of Grady has some nice

gifts for sale and has already furnished Louis Mitchell and Horace Chitwood of Ruth with their club pigs.

This is the first year in Curry that club members have been able to supply part of the registered stock for club work.

The Texico boys have received their stock judging books and are getting ready for work. Their leader, Mr. S. C. Hunter, is lending his assistance to this phase of their work and results are sure to be all that could be desired.

Mr. Ralph Will, the new county agent of Roosevelt county, has had special training under Lantone in stock judging and will assist with the finishing process for the boys who are to compete for places in the state try-out.

The meeting at Grady Saturday was very well attended. Miss Edna McCausland, chairman, and Miss Mildred Garrett, secretary, conducted a very business like session. An election was held to fill vacancies and a program committee appointed. The second year girls will meet with Mrs. G. T. Hale the 18th to plan their garments for this year's exhibit.

The West Chapel clubs will hold their meeting as a preliminary to the Farm Bureau meeting Saturday, June 18th, at 7:00 p. m.

Scene from Charles Ray in "The Old Swimmin' Hole"

## "THE OLD SWIMMIN' HOLE" CHARLIE RAY IN

contains all the joy of James Whitcomb Riley's old poem. Oh! the old swimmin' hole! When you last saw the place The scenes were all changed like the change in your face; The bridge of the railroad now crosses the spot Where the old divin' log lays sunk and forgot.

But you came back to the days, all too few,

Farm, Wisconsin, came in this week and Annette Bainum of Bellview has added her name to those owning "better dairy possibilities."

Frances Moore and Annette Bainum, Bellview members, were office visitors Monday.

Dola Brunk, secretary of the Priscilla Club, was in Monday for supplies.

Howard Boone, Fairfield, has "finished" the record for his first pig and purchased one from Delmas Hopper with which to complete his year's work.

Among the bunch of letters that

When the Old Swimmin' Hole was the whole world to you. It's here with its ripples, and the sycamore tree And Charlie Ray, a you—just as you used to be.

'The Old Swimmin' Hole' with Ray will recall delightful memories of bygone days—days of pleasant memories that make life more pleasant for having been brought back.

Also shown a two-reel Sunshine comedy and a Mutt and Jeff Cartoon at the Luceym Theatre Saturday night, June 18th. Try to get in.

came in this week from pig club members there was one from the West Chapel club (postmarked St. Vrain) that was not signed. So if the boy who asked how to keep his record will write in again the club agent will send him some sample records.

A letter from Einar Sorenson, Grady, states that he ordered his pig from a breeder in another state. Einar raised a grade pig last year and with the sale of his grade purchased a pair of pure-breds.
